7-Day Deadline for Unredacted Records Under DPA 2018 – Follow-Up to 14 Sept 2025 Override Dem... .pdf, 244.9 kB
I made a SAR on 14 Sept 2025 to adultsocialcare@thurrock.gov.uk for all IRF-18 forms, drafts, attachments (CCTV/photos/statements), risk assessments, and reviews (IRR/safeguarding/MHA) from age 18 (2019) to now—evidence of coercion/false logs in my care leaver transition. No response, despite follow-up. As a disabled care leaver (Housing Act 1996 duties), this blocks my s.202 review and human rights claim (£360M for violations). Thurrock must comply within 1 month (extendable to 3, but explain why)—their delay causes distress/isolation. Attachments: Emails/demands.
NEXT TIME DONT MESS UP , DO YOUR JOB and DONT LIE FOR ANY MONEY.

When Thurrock Losess £700Milllion Tax I pay them and give me n house, It cost them £360 Million in ROI - and I transend that CYCLE of Oppression and Depression my Life First -Work Next Constructional Utopia . Your aura has been sealed | Nnamdi Okpala

- All referenced risk assessments.
- All subsequent reviews (Internal Review Reports [IRR], safeguarding enquiries, Mental Health Act [MHA] panels).

These contain evidence of coercion, false allegations, and fabricated logs used to justify institutionalisation, breaching my rights. Process and Deadline:

- Respond within 7 days (by 22 September 2025) via email/post to obinexus@tuta.com / 15 Evesham Way, IG5 0EQ.
- **No** redactions without justification (s.46 DPA 2018); anonymise third parties if needed, but disclose all relating to me.
- If complex, extend to 3 months max—but explain why in writing within 1 month.
- Free of charge as a care leaver (no admin fees apply).

As a young adult, I journey through the bureaucracy of the system that oppressed, harassed and failed the Generation Z, leaving them behind. I return with a reflection of UCHE/Knowledge and EZE/King of Nnewi as OBI Heart/SOUL to rebuild the infrastructure that failed an entire generation.
Masquerading within the MOLD,
